## INFORMATION

The Preservation Action Council of San Jose (PAC SJ) raised concerns during the Petition and Communications section of the July 2, 2003 Historic Landmarks Commission meeting regarding the publication of the Mitigated Negative Declaration (MND) for this property involving the Alma Bowl. PAC SJ felt the MND for the site should be brought to the Commission's attention. PAC SJ subsequently filed a written protest of the MND questioning the adequacy of the historic report for the Alma Bowl.

The historic report will be revised this month and plans are to provide a copy of it to the Historic Landmarks Commission for review and comment at the September 3, 2002 regular meeting. It is anticipated that the MND will go to the September 10<sup>th</sup> Planning Commission for a public hearing. The Landmarks Commission comments will be provided to the Planning Commission.
